

16611 – 10.000 sqm plantation land in Batuaji, Kerambitan Tabanan

Description

Spacious plantation land for sale in Batuaji Village, Kerambitan, Tabanan Regency – Bali. The location of this land is closed to locals residential and it's suitable for a factory or even a hidden side villa where tranquility await.

As known that Tabanan is one of the city or regency in Bali that is now developing in economic matter and tourism, in hope that in a few years today it will become like the closest neighbours "Canggu" in all aspects, from the tourism and the economic. Because Tabanan also has a lot of beautiful tourist attractions from the spiritual attractions like Tanah Lot Temple to the beautiful nature Jatiluwih Rice Field, Garden and also nice beaches around, etc. Tabanan is also very closed to Bedugul, known as a mountain lake resort area in Bali where the famous Bratan lake be, well known that Bratan lake located in Bali's central highlands of Bedugul. It is a favorite tourist attraction. The surrounding area is a natural spectacle offering splendid view of mountains and greenery. There are many activities we can do around the area. The surrounding mountains are popular destination for hiking and trekking. Water Sport activities are also available here like speedboat, water-skiing, parasailing, jet skiing, paddle sports, etc. And there are many more spectacular tourist attractions available around.

A huge land with perfect size, farming spatial and easily accessed by 6 meters road. a perfect choices to hold a plantation/farming industry as electricity and water are on the line. It has a high investment value as Tabanan being second developed area after Canggu
