

18494 – 11.220 sqm river front land in Selemedeg, Tabanan

Description

Location: Bengkel sari Selemedeg, Tabanan – Bali.

This spacious plantation land strategically at the riverfront with only about 1.5km distance from the main road of Denpasar – Gilimanuk and only around 2km away from the Bonian beach, Soan galuh, Soka beach and Balian beach. The total size of the land is 11,220m² or 1,122Ha with +/- 80 meters frontage. This land consisting of two spatials with +/- 40% Residential aspect and +/-60% estate aspect. The land contours are flat and sloping and ideally on east oriented offer a possibility to enjoy the sunrise scenery. The access road is wide about 5 meters which is easy to access the land location.

Considering all features such the location, size, orientation and contour this land is suitable to build a tranquil luxury accommodation such as hotel, villa or resort. And would be a very nice place to relax and unwind away from crowds and surrounded by the calm, serene, and village life atmosphere. As known that Selemedeg is a district of Tabanan Regency Bali with not so much touched by modernization yet. Although it's not so far away from the city, it still keep the true tradition of Balinese life. That could be a very good business investment with high-profit returns by chance.
