

33855 – 11,000 sqm land with Volcano Agung view for sale in Tulamben, Karangasem, Bali

Description

Discover this expansive land with unparalleled nature views located on the north east coast of Bali, Indonesia. Nestled at the foot of Bali's most famous volcano "Gunung Agung", just 7 minutes drive from the famous dive site "Drop Off" and surrounded by the pristine Balinese village and local residences, offers majestic mount Agung and lush greenery views. The land features 11,000 sqm which perfect to build a retreat resort as sanctuary for peaceful seekers and nature lovers. Nestled far away from the city buzz with its traffic jam and massive crowds in a place where we can immerse and reconnect with nature. This place is for everyone to enjoy and relax, but lots of place to explore and activities to do specifically for divers, freedivers and underwater photographers. It's a genuine Balinese village with authentic Balinese way of life that can witness directly, here at Tulamben, Karangasem. A very potential location for business investment, so do not hesitate and get it soon!
