

17721 – 200 sqm land for sale in Singakerta, Ubud

Description

A plot of land for sale in Tebongkang street, Singakerta Village, Ubud, Gianyar with a great location as in a red zone of Residential aspect and situated in villas environments, it is safe to build the land in immediate time. This land is suitable to build a private house or villa for private use or commercial business. It could be a great place to stay as its location away from crowds but provides a tranquil atmosphere. It is also very closed to Central Ubud, as known that Ubud is a center for traditional craft in Bali and one of them located in Singakerta, many tourist bought the handy craft and furniture from there. It makes the location of the land is more interested and valuable. Beside that, Ubud is a place for those who looking for calm and cozy and whom like a village environment. Its culture and nature is what tourist likes more, lush green tropical jungles, terraced rice fields, Ubud art market where we can shops the local good. An authentic part of Bali it is.
