

18394 – 200 sqm residential land for sale in Padang Linjong, Canggu

Description

Ideally located in residential aspect with 4 meters access road. It is a small plot with 200m² total size offers beautiful scenery and a tranquil atmosphere of the rice field and river surrounding. This land is perfect to build a lovely regular house or villa with a calm and peaceful environment for a relaxing stay in Bali.

Suitable for private use or for commercial business purposes, ideal for those who looking a village life in the Balinese style. As known that Padang Linjong is a village in Canggu where we can see the true of the Balinese way of life from nature and traditions. A very different face of the hipster Canggu's area. It is like we are living in the true village life in the middle of the happening world.

This could be a great investment somehow as it is rare and hard to get land for sale in this area, and it will much more valuable in a few years for sure as this area is one of the most demanding by expats, tourists and investors nowadays.
