

22196 – 2000 sqm tranquil land with greeny scenery of Nyambu, Kediri

Description

Perfectly situated in the middle of the lush and green rice fields terraces and tropical plants such as coconut line up, nestled in the peaceful and tranquil area of Nyambu village, where you can witness and experience the authentic Bali. This land is suitable to build a private villa, perfect for own use or commercial business purposes as the area is perfect for a relaxing and rejuvenating escape, neighboring the locale where you can see and learn the authentic Balinese way of life and traditions, or just feeling laid back or wanting to revive yourself. This region is still spared out of traffic and massive crowds, a place where you can get a truly village vibe. The land orientation perfectly faces the west, which allows you to enjoy the stunning sunset from the area. Easy access to the location as it has wide access road by 6 meters concrete road. It will be a great asset for future investment indeed.
