

20299 – 260 sqm land in a hook position in Kerobokan, Bali

Description

A small plot of vacant land available for freehold sale in a commercial area of Kerobokan, Badung-Bali.

This land ideally situated in a hook position with perfect dimension nearly rectangular.

This area will be perfect for business and it is suitable to build a commercial building such as restaurant, cafe, spa, shop, clinic or even a shophouse, etc.

As the area is very strategic and commercial, nestled between the most popular and busy area in Bali that are Seminyak, Canggu, and Denpasar.

This area has been fully arrays by commercial buildings and always busy all the time. Surrounded by touristy areas and locals residence make this area become the most strategic location for business. Even though it is busy, however it still has a calm and cozy side with rice fields surrounding, creates a balance atmosphere to become relaxed in crowds.

It is a rare and great opportunity to get vacant land for freehold in this area as limited availability left now, so don't miss it, and make it as one of your property in Bali. It will be a great future investment somehow.
