

17530 – 2600 sqm full view land for sale in Kelating, Tabanan

Description

A plot of vacant rice field land is for sale in Kelating, Tabanan Regency – Bali where the exact location is in a very good area of Tabanan with direct access to the main road of Kelating beach street. Well surrounded by villas with a beautiful rice field and offers mountain scenery, also very closed to Kelating Beach, we can reach there by walk or only 2 minutes drive away. Kelating Beach is natural beauty of black sand gushing with silver rays reflected from the sun. Sloping black sand will spoil your eyes. Besides that, the calm atmosphere around will make you relax while enjoying sunbath. This beach is a quite place away from the crowds, it is a perfect place to get away from the busy city. The land location is also close to Tanah Lot Temple, it's 15 minutes drive and 30 minutes to Canggu hub.

This land is suitable for a private villa or developing a holiday rental business, as it offers a very good price and a perfect investment choice. There will no regret to own this land.
