

18895 – 2800 sqm residential land for lease in Buduk, North Canggu

Description

This Residential land area is sizable for lease with total size 2,800m² or 28are.

Location: Umetegal Buduk, North Canggu, Badung – Bali.

This land is suitable to build a property such as private luxury villa for private use or commercial business purposes, or others commercial business such as restaurant, shop or even spa.

It will be a very good place to stay with a tranquil environment and beautiful view of the rice fields as well the locals residence, perfect for those who are looking a village life blending with Balinese feeling as known that Buduk is a small village of Mengwi district, Badung Regency Bali, it is next to Canggu and still spared of massive tourists, however it is now developing in tourism aspects. We still can feel the original Bali's life here while being able to enjoy the hipster of Canggu area.

It will be a very good chance to start a new business in this area as well with high profit indeed.
