

17592 – 2BR villa with absolute rice field view in Abianbase, Badung

Description

2 Bedrooms brand new villa in Abianbase, Badung Regency – Bali located in a tranquil environment with full rice field view. It has a unique modern stylish design with an outdoor swimming pool.

The villa is two-story building that is suitable for family private use. It consists of a master bedroom (3.5m x 4m) ensuite bathroom (1.5m x 3m) and a children's bedroom. At the second floor has a balcony facing to the beautiful scenery of the rice field around.

It's under construction with 85% finishing progress.

Its location is perfectly in the middle of frenzied Kuta, Charming Seminyak, Trendy Canggu, Busy Denpasar and Calming Ubud. And it is also very close to Central Government of Badung Regency.

It could be an excellent staycation in Bali, as it is surrounded by an absolute rice field view that creates a tranquil ambiance and a fresh breeze will blow our minds while relaxing at the villa. Suitable for private use or commercial business or investment.
