

30.750 sqm river front land in the side of Jl. Raya Denpasar – Gilimanuk

Description

With a wonderful access road that linked the Denpasar city to a port city Gilimanuk, this plot of land hosts ginormous and countless possibilities, the area itself situated not far away from the southern beach of bali, and also not far away from this plot of land there is a Pertamina Gas Station. With a serene neighborhood with a beautiful view both from the northern distant mountainous area and the southern view of black beaches that spans horizon to horizon this would be a great place to start a business.

Features:

- ? Great potential as this plot of land sat in the main road of Denpasar – Pekutatan – Gilimanuk.
- ? Suitable to be built as a business place, warehouse complex, and many others.

Facilities:

- ? Land area of 30750 m2.
- ? The front width of the area is 143 meter.
- ? Access Road: main highway made of asphalt.
- ? The front side is facing the south.

Documents: 5 SHM / Freehold.
