

34875 – 3,000 sqm land amidst rice fields for sale in Padang Kerta, Karangasem, Bali

Description

Situated amidst verdant rice fields, embrace by the natural beauty and majestic Mount Agung, a 3,000 sqm idyllic land offers both a picturesque calming rice fields view and a sublime base for exploring Bali's unspoiled East, with its traditional villages, ancient water palaces and wondrous dive sites. Nestled in the asphalt roadside of Padang Kerta village of Karangasem, Bali, only a 7 minutes drive away from the famous attraction Tirta Gangga Water Palace. It is offering a serene pristine retreat situated in the foothills of Mount Agung which is suitable to build either a tranquil private or commercial villa. It offers a gateway to both East Bali's marine splendors and spectacular Mount Agung. A place where you can discover the authentic Balinese traditions, pristine jungle and beaches and still spared out of massive tourists unlike the Southern of the island, but provides lots of things to do and to explore. A very good chance for investment and the price offering also is very reasonable, so get it soon.
