

17734 – 335 sqm land for sale nearby GWK statue in Jimbaran

Description

What great news and a great deal, a plot of land for sale in Goa Gong Jimbaran, South Kuta – Bali. It is located in a strategic residential area of Jimbaran. It presents a beautiful view of GWK, the ocean and the airport scenery. Very close to everywhere popular place in Jimbaran and tourist attractions in southern Kuta such as the Jimbaran bay with the popular first market and restaurants, GWK, Uluwatu Temple, Pandawa beach, etc.

This land is suitable for a calm house or villa. As it is away from the massive crowds, it could be a very tranquil home for those looking for serenity as the atmosphere is perfectly set. This land is suitable and ready to build for a calm villa or house for private use or commercial business. And even a great investment it is, because in a few years later today it will become much more valuable for sure. It is offering a special deal until the end of February 2023, from the price IDR 500,000,000/are become IDR 475,000,000/are. What a great chance it is.
