

37435 – 2100 sqm land walking distance to the beach for sale in Nyanyi

Description

Experience the best of Bali living or a promising business investment at this captivating Balinese village of Tabanan Regency at Nyanyi, within less than 30 minutes walk to the spectacular beach. Nyanyi also known as sub area of Canggu near the main tourist attraction, Tanah Lot Temple. The black sand beach was clean, and the water was rather warm – lots of sand and huge waves. It is also one of the best surfing spots and is an attractive choice for beginner surfers. This prime land presents to freehold sale with total size of 2100 sqm with nearly rectangular dimension. It would make your dream come true for having a tranquil oasis or a promising investment in Bali by build up a private villa or complex or simply just divided into some pieces of plot. Ideally located in villas environment and close proximity to public facilities like schools, cafe and to one of Bali's newest immersive beach club nestled cliffside along the stunning coast of Tabanan is Luna Beach Club Bali just 1.6km towards the beach. A very potential property that is ideal for both worlds living and business.
