

37552 – Huge land of 20400 sqm with pristine natural surroundings for sale in Sidemen

Description

Situated far away from modernity, in a genuine Balinese village offers a 360° panoramic hillside with a magical backdrop of the tallest mountain of Mount Agung, and surrounded by pristine jungle as its centre piece. This expansive land could be changed to be another peaceful hideaway resort in the area away from the hectic of the city life. However, it's not very far from the local residence, public facilities and attractions, just 20 minutes drive from the Traditional Market and 35 minutes from Blue Lagoon Beach and approximately 90 minutes from Bali's International Airport. Discover the ultimate perfect harmony experience in Sidemen's nature with the tranquil, rejuvenating, and completely serene escape of Sidemen villages. Provides a good infrastructure with 6 meters width asphalt access road and amenities are ready on the line such as water source with options by deep drilled well or from the local water springs. The land features over 2 Ha with flat to gently slope contour and right now on the ground area there are some plants such as coconut, cloves, and more. A very potential property for a promising investment with a very good deal offering. So, don't miss it!
