

38923 – 7600 sqm of productive plantation land for sale in Besakih, Karangasem, Bali

Description

Nestled within the serene beauty of Bali's enchanting landscape, this plantation land is actively producing some tropical fruits. Features a 7600 sqm situated in a genuine Balinese village in the eastern part of the island at Karangasem, just a mere 1 km from the Mother Temple "Besakih". Featuring 50 trees of Durian (Musang King, Kane and Bawor), 600 trees of Tangerine, some of Water Apple, and 40 trees of Avocado and they are all ready for harvesting. Furthermore, there is also a small house standing on the land with 1 bedroom, a bathroom and 2 water cisterns. The area offers a truly tranquil atmosphere and breathtaking natural views that will leave you feeling amazed, rejuvenated and inspired. Keeping this land for long term investment you still can get benefit from its fertile fruits tree on it or build it up and transform into an escape retreat destination will also give you a promising income indeed. A place for escaping from hectic city life and immerse into pristine natural surroundings. With its convenient location proximity to local residence and some attractions make this land more valueable and easy to access.
