

39359 – Prime plots with different sizes for sale in authentic Bali's village at Abang, Karangasem

Description

Located in the authentic village of Karangasem in East Bali, between the island's renowned dive destinations, Amed and Tulamben. These prime plots sit in splendid isolation on a small hill nearby the volcanic black sand – Amed beach just 10 minutes drive away, with spectacular 360-degree natural views of the green hills and the sacred mountain – Gunung Agung. The plots come with various sizes but only 2 plots left available size 250 sqm and 210 sqm. Featuring flat contour and provides 3 meters width asphalt access road. These plots are suitable to build a private villa for own use or commercial purposes or a house. With its picturesque natural surroundings and tranquil atmosphere, it will be a tropical oasis in Bali. An authentic, pristine and exciting place where people could retreat from their stressful jobs, replace their daily habits and gadgets with yoga, meditation and other healing practises, and rediscover their power and happiness. It's an inspiring place for a retreat, a hideaway, a holiday – for yoginis, writers, artists, divers, foodies, gardeners, nature lovers, eco-champions, and more.
