

39684 – Residential land of 22 are for sale in Mambang, Tabanan

Description

This residential land is settled in heart of authentic Balinese traditions surrounded lush tropical vegetation. You can feel the privacy and quietness like never else before. Features over 2200 sqm with 25 meters frontage, this land is ideal for building a residence or villa complex. It would be a nice area to stay as the environment is perfectly tranquil, cool, away from the crowds of traffic or massive tourists like in Southern Bali's area. This area is perfect for them who are looking peaceful, surrounded by beautiful nature of village life, while being able to learn and live together with the Balinese. Eventhough, this area is still traditionally but now it is embark developing in tourism aspects as many investors has found the great potential of this area. A truly peaceful place to stay and a very great opportunity for developing investment too. As the price offering is very low compare to other area in Bali, you shouldn't wave this rare opportunity!
