

39702 – Prime plot of 2500 sqm with exclusive villas and resorts environment for sale in Kelating, Tabanan

Description

Blessed by side the captivating coastline, in the upcoming area of Tabanan on Bali's southwest coast, offers breathtaking natural views and serene ambiance. This prime plot is a hidden gem that offers a truly ideal feature for building either a private villa or a commercial building like a restaurant, guesthouse, villa complex and others. This is a place to create unforgettable experience for both leisure and business travelers alike. Located far from the hustle and bustle of Bali's more populated areas, the plot is set amidst gently sloping rice terraces, lush greeneries and framed by the glittering black sand beach. Flanked between villas, resorts and local residence, this area is easy access and close proximity to popular attractions like Tanah Lot Temple and the public facilities just a short drive away. Within less than half an hour walking to sparkling Kelating beach, where you can relax and unwind to enjoy the Bali's sun, breezes, and stunning sunsets. Immerse yourself in the serene atmosphere as you step on the area. With its captivating beauty and cultural significance, this land will give you a huge opportunity for developing investment as it is a must-visit destination for anyone exploring Bali's wonders.
