

41131 – Prime clifftop plots with size start from 3000 sqm for sale in Pecatu, Bali

Description

Perched perfectly on dramatic clifftop in the cultural heartland of Bali, just a 5-minute drive from Uluwatu Temple. This prime plot is perfect for building a private villa complex or commercial building like a resort, clifftop bars/clubs and more. Comes with various sizes start from +/- 3000m² – 4600m², boasting a perfect blend of flat and sloping contour towards the hills. Offering unobstructed ocean view, lush tropical vegetations, and magnificent sunset views. It would be a secluded haven for romantics, adventurers, and the mindful travelers. Positioned against the backdrop of azure skies and lush greens that will give a tranquil and rejuvenating atmosphere. The plots will provide you with a promising business investment as the area is very commercial and beautiful, where guest can revel in the ultimate experience of privacy, comfort, and convenience while discovering nearby attractions that Uluwatu has to offer. Easy access the location as it one of the most favored tourist destination in Southern Kuta, Bali. The area provides a true paradise for the senses, where you will be immersed in the intimate embrace of the resort surroundings, where the ocean whispers and the sight of coastline or sunset may leave you pinching yourself in awe. A really great opportunity to get such an amazing property with a promising investment!
