

16795 – 4150 sqm land for sale in Nyanyi, Tabanan

Description

4150 sqm land located in the main access of the Tantangan villa project, Tabanan and only 2km from the sparkling Nyanyi Beach as well as from the Tanah Lot temple. This land is surrounded by private villas with stunning rice field views and fantastic hangout spots. Very flat land contours, beautiful rectangular dimensions and also higher ground conditions than the access road can minimize the risk of flooding and landslides.

Currently, the Nyanyi area is the second-developed area after Canggu. It is famous for its beautiful beaches, big waves for Surfers, views of green rice fields with a mountain background, and a very soothing stream.
