

41899 – 830 sqm land with villas and guesthouse environment for sale in Ungasan

Description

Discover this amazing land, which is located on the southern coast of Bali. Ungasan is a tranquil paradise that offers a perfect blend of breathtaking natural beauty and cultural richness. With its pristine beaches, dramatic cliffs, and awe-inspiring sunsets, Ungasan is a must-visit destination for travelers seeking a peaceful escape from the hustle and bustle of everyday life. This land offers an ideal location for constructing either a private luxury villa or a complex, providing the perfect balance of serenity and convenience. The land is perfectly situated in a Yellow/Residential zoning within a Villa environment, providing unmatched privacy and a beautiful view of green landscapes. It's conveniently only a short 12-minute drive to Melasti beach, 15 minutes to Sundays Beach Club, and only a 45-minute drive from Ngurah Rai International Airport. This region presents a unique opportunity for an unforgettable experience, allowing you to find peace in a beautiful, natural setting. A place that gives you a chance to enhance your business instinct and promises a great investment somehow.
