

41908 – 5-BR seaside villa with big garden for sale in Mertasari, Sanur

Description

Offers a truly luxurious and serene retreat for travelers seeking a memorable holiday experience. This stunning villa boasts five exquisite rooms, ensuring an exclusive and intimate stay for its guests. With its elegant design, impeccable ambience, and lovely surroundings, this villa promises an unforgettable stay in paradise. The villa also boasting a child friendly architecture which making it an ideal choice for a family getaway. One of the biggest advantages of this property is its location – Sanur, appealing to laid-back travelers from around the world, about 10 minutes walking from Mertasari beach. It does not have the glitter of Seminyak, the vibrancy of Canggu, the gayness of Ubud, or the confusion of Kuta, instead Sanur offers selective access to all of them, as your time allows. It is also the hub of choice for scuba divers, retirees, and families traveling with their children. It is the perfect base for exploring Bali. This internationally designed villa sparkles with both traditional and western high end finishes. The concept of modern luxury provided here emphasizes a high standard of comfort for an improved living experience. This villa is an ideal choice for a peaceful getaway, perfect for either personal enjoyment or business investments that promise substantial returns. With 950 sqm of land, this property uses good quality earthy materials, thus harmonizing with its modern facilities. Guests at this villa can expect to have a pleasant and trouble-free stay, providing an opportunity to immerse themselves in the beauty of Bali, known as the island of paradise.
