

41922 – 3600 sqm land offers picturesque natural views for sale in Glumping, Bukit Cinta, Karangasem

Description

Nestled on the eastern coast of Bali, this beautiful vacant land is ideal for constructing either a private villa for personal use or a commercial business such as a boutique resort, villa complex, restaurant, etc. It would be a hidden gem that offers a tranquil escape from the bustling tourist areas. Offers easy access to a myriad of stunning landmarks and attractions. Just a short drive, about 10 minutes away, you will find Tirta Gangga, a breathtaking water palace known for its serene ponds, fountains, and lush gardens. While exploring these historical sites, we can truly embrace the peaceful atmosphere enhanced by the artistic stone carvings and elaborate architecture. With its prime location near the remarkable landmarks and attractions, this land area is the perfect base for your Bali adventure. Features 3600 sqm with a flat contour, this land is ready to build on anytime. Provides a good infrastructure and amenities, the area also offers breathtaking views of the lush greenery, the mountain, local farms, and rice fields. Investing in this land provides not just a property, but also a beautiful lifestyle surrounded by nature.
