

41998 – Prime plot of 500 sqm with only walking distance from Kedungu beach for sale in Tabanan, Bali

Description

Offers a serene and enchanting retreat, suitable for those seeking a peaceful getaway. A prime plot is available for freehold sale, located in one of the most coveted areas of an authentic Bali village in the heart of an exceptional nature, far from traffic and massive tourist areas like Canggu, Seminyak, and Kuta. An ideal place for tranquility, this idyllic seaside plot is only a walking distance (1 km) from the famous surf spot of Kedungu beach, as well as the iconic attraction Tanah Lot Temple is only a 10-minute drive away and 25 minutes from Canggu for entertainment and a more lively atmosphere. The land features a 500 with an 18-meter frontage, ideally situated in the Yellow zone or the Residential aspect. It has a flat contour and is ready to build, offers picturesque rice fields, majestic mountains and stunning sunset, and ocean view, and provides a 4.5-meter access road. Ideally situated in tourism zoning, this land is perfect to build either a private or commercial villa for your oasis or a promising business investment in Bali. A truly strategic location for living or holiday for those who are looking for serenity and authentic Balinese experiences.
