

42729 – Prime plot of 960 sqm with full ocean view for sale in exclusive area of Jimbaran, Bali

Description

Located in one of the exquisite residential areas of Jimbaran – Bali, an area of the world for leisure, business, or living, only a 25-minute drive from Ngurah Rai International Airport Bali and 30 minutes away from the vibrant area of Kuta and Nusa Dua. This prime plot is just a short walk to many of Bali's most famous traditional beachside Seafood Restaurants and is a close drive to Cafes and Bars at Jimbaran Bay and Uluwatu. With its generous size and strategic location, this 960 sqm lot is perfect for investors looking to develop a guesthouse or commercial villa in a desirable zone. Surrounded by exclusive villas and resorts like Four Seasons Resort, The Sintesa Jimbaran, Samasta Jimbaran, etc, just a short stroll from Muaya beach, and offers breathtaking views of Jimbaran Bay, Airport, and Sunset. The area offers a perfect blend of exclusivity, convenience, location, and traditional Balinese charm. It provides a tranquil escape from bustling city life, while still offering easy access to the vibrant attractions and cultural landmarks of Bali. A rare opportunity to get a fantastic land for freehold sale in this area, so make it yours.
