

42913 – For Rent/lease a Brand New Villa 3 + 1 Bedroom at Ungasan, Jimbaran, Bali

Description

Experience the unique design of this brand new villa, where modern architecture meets tropical beauty. With a contemporary, elegant style, this property offers easy access to various amenities, as it is located in the heart of Jimbaran, a highly desirable area in Bali, and is just a five-minute drive from Jimbaran Hub Co-working Space. This property sits on a 200 sqm plot of land and features a total building area of 300 sqm, comprising a three-story structure with two large terraces on both the first and second floors. The building not only provides ample space with a three-story design but also includes a rooftop terrace that offers stunning views of the garden and the surrounding tropical environment. In this villa, the warm sunlight and refreshing sea breeze create an idyllic atmosphere for you to relax and enjoy life. As you take the opportunity to embrace the tranquility of nature's vibrant bloom, consider how it deepens your connection with the local culture surrounding you. Don't miss out on visiting the nearby Jimbaran beach, where you can enjoy stunning sunsets and savor fresh seafood at romantic beachside restaurants with your loved ones. Discover a perfect blend of excitement and relaxation at this destination, where you can enjoy both adventurous activities and tranquil staycations. This calming oasis is designed for both professionals and travelers seeking a tranquil retreat from the world's noise. With its convenient location, approximately 30 minutes drive from Ngurah Rai International Airport and close to some spectacular beaches in South Kuta area like Balangan and Padamg – Padang. And also very close to some famous clifftop bar/club like Ayana Rock Bar, making it an ideal spot for relaxation and rejuvenation. This villa is not only built with the finest materials but also fully furnished, making sure that every detail enhances your living experience comfortably.
