

43506 – Main roadside land of 6686 sqm for sale in Sambung Gede, Tabanan

Description

Located far away from the city buzz, but not so far from the ancient and iconic Tanah Lot Temple on the southwest shore of Bali is only 17 km distance, approximately 1 hour and 30 minutes drive from Bali's International airport, and just 15 minutes drive from pristine black sand beaches of West Bali like Kelating beach and many more. This land spans 6.686 sqm and is an excellent option for anyone looking to build a warehouse or a residential complex. This property is ideally located on the main roadside and surrounded by picturesque rice fields and local residences. At this place, you can immerse yourself in the local island culture while enjoying the tranquility of nature. It's the ideal retreat to unwind and rejuvenate, surrounded by natural beauty and serenity. In addition, this land has a super flat contour with 45 meters frontage, and being close to the local residence means the amenities are right on the line. A very nice feature of land for building a tranquil home or development purposes, and even a great choice for long-term investment purposes, will give you a high return indeed!
