

43627 – 180 sqm of residential land for sale in a strategic area of Batanghari street, Renon, Denpasar

Description

This premium land is ideal for building your dream home, providing a unique opportunity to create a personalized living space. Due to its strategic location, this space is perfect for not only opening a shop or an office but also for setting up a premium boarding house that meets business requirements. By investing in this premium land, not only you are securing a valuable asset, but you're also positioning yourself for potential high returns later on. Located in the center of Renon, you can experience the lively atmosphere of Denpasar, the bustling capital city of Bali. This plot is situated just a short drive from the culinary center and Sesetan area, nestled within a prestigious residential complex that offers a tranquil atmosphere for its residents. The land features 180 sqm with rectangular dimensions and has a flat, solid contour that is ready for construction. Well provided a wide 8-meter access road, conveniently located in a Yellow/Residential zoning. This property is perfect for those looking for a peaceful urban lifestyle in Denpasar and also giving you a chance for starting a business in the heart of Bali. This land would certainly be a great choice without doubt of disadvantages, as it is known that Renon is the most sought-after area for business or living.
