

43663 – Beachfront land of 15870 sqm for sale in Central Tulamben, Karangasem

Description

This property is perfectly located on the beachfront of the Tulamben area, making it an ideal spot for tourists. This location is wonderfully surrounded by resorts and villas, making it a perfect spot for tourists. It's very close to the central dive area of Kubu village, on the North-East coast. Known as Bali's best-kept secret, this area offers amazing dive sites that many divers have come to love, particularly due to its proximity to local residences and tourist attractions. This stunning escape, set back from the main road, provides a serene environment that attracts divers, nature wanderers, and seekers of peace. Situated in tourism zoning with total size of 15870 sqm, offers breathtaking views of the ocean, black sand beach, mountain, and lush greenery. The potential of this land makes it ideal for building a premium tourist accommodation such as a resort, which promises excellent profitability. This area offers a unique opportunity to escape the city and discover stunning natural surroundings. Indulge in the exotic nature of Karangasem where you can relax and experience the best of the underwater world.
