

43967 – 1800 sqm of farming land with rice fields and mountain views for sale in Selemadeg, Tabanan

Description

This beautiful land, hidden away from the crowds, is the perfect retreat for adventurers eager to uncover the genuine beauty of the Bali experience. With a generous 1800 sqm plot of land and a gentle slope, this location is well-suited for building either a private villa or a comfortable residence. The infrastructure to the location includes a well-maintained 3-meter wide access road, making it easily reachable from local residences and private villas nearby. If you're looking for peace, this area is perfect for a city escape, allowing you to embrace the beauty of nature for tranquility and renewal. From sunrise to sunset, you can unwind and relax in this beautiful setting, enjoying the panoramic views of nature with terraced rice fields and tropical forests surrounding.

The stunning scenery includes Batukaru, the island's second highest mountain, which stands majestically in the distance, making it a perfect backdrop for relaxation. For true travelers, this area offers a perfect escape to experience the beauty of Bali in a more tranquil and enriching way. Investing in this land presents a fantastic opportunity for business, but you could also choose to maintain it as a long-term investment by continuing productive farming or renting it to local inhabitants.
