

44164 – 1.35 Ha commercial land for lease located at North Ubud, Bali

Description

This stunning piece of land in Bali, spanning over 1.35 acres, is an ideal location for creating a serene tourist accommodation such as a retreat resort or luxury private villa complex. This location would be ideal for couples looking to enjoy romantic holidays or for peaceful seekers looking for tranquility away from the hustle and bustle of the city. Nestled in a region rich of natural beauty in the uplands of the island, home to enchanting rainforests, majestic mountains, picturesque rice terraces, wonderful rivers, amazing waterfalls and ancient temples is Ubud. This location is ideal for relaxation, as it features a slope contour with exclusive resorts and hotels nearby. The serene atmosphere and captivating views of the river and jungle make this place a perfect retreat. Visitors will enjoy the lush greenery surrounding the area, enhancing the peaceful experience of their stay. Given its prime location, this land represents an excellent opportunity for both business ventures and investments, promising high returns in a relatively short period. Visitors can take their time to discover the vibrant arts and cultural scene that Ubud is famous for, while also appreciating the peacefulness and natural beauty of the nearby areas that are now appealing to investors.
