

44300 – 6300 sqm of Clifftop land for sale in between Amed and Tulamben village of Karangasem, Bali

Description

Located at the North-East coast, right in front of the stunning Sparkling black sand Tulamben beach, and close to several amenities. This prime land is ideal for developing tourist accommodations, such as resorts, villas, and more. Situated near the Dive Concept center in Kubu village, this land is Bali's hidden gem, boasting remarkable dive spots that enchant countless divers. Nestled away from the hustle of the main road, this stunning escape provides a serene haven for divers, nature enthusiasts, and those seeking peace. The land is strategically located in a tourism zone, covering an area of 6300 sqm, right between Amed and Tulamben, making it perfect for investment. This property has a four-meter-wide access road, ensuring easy accessibility, and is fully equipped with all necessary amenities for immediate development. With its prime location between Amed and Tulamben, this site is ideal for any tourism-related projects, given its readiness to build. The tranquil environment, breathtaking views, and rich natural surroundings make Kubu in Tulamben, Karangasem, the perfect escape for anyone seeking relaxation from the city's buzz. Discover the best underwater world right here in Kubu, Tulamben, where the serene atmosphere and exotic nature invite you to explore and unwind.
