

44444 – For global sale: 2050 sqm of Beach side land just 100 m from Balian beach in Lalanglinggah, Tabanan

Description

Surrounded by pristine nature, this land offers a unique opportunity to establish a beautiful retreat, promising an unforgettable experience in Bali. Whether you seek tranquility or an exciting experience, this land near Balian beach is the perfect gateway to explore Bali's west coast. The land is perfectly positioned in the heart of lush rice fields, creating a stunning view that brings peace and serenity. The land contour is flat, making it a secure location for construction at any time since all the necessary documents are entirely valid and prepared. Given its proximity to the main road, just 250 meters away, and the 4-meter-wide access road, construction progress is expected to be efficient and trouble-free. This land would be ideal to build a tranquil luxury accommodation, such as a villa or resort, for your promising business or perhaps a private villa for your tranquil oasis in Bali, where you can get tranquility and privacy, as it is located in a mystical and radiant village situated on the least spoiled side of the island. Here in the region of exuberant nature, we can find stunning sunsets and some of the best island surfing action around.
