

44720 – Two small prime plots of 200m² & 300m² for sale in Belalang, Tabanan

Description

Nestled in a serene and lush environment, this land is surrounded by rice fields, villas, and tourism developments, making it an ideal location for both personal residence and investment purposes. Its location combines privacy, natural beauty, and strong future value growth. Two plots are available, sized 200 m² and 300 m², offering flexibility for buyers. Whether you're looking to build your own private villa, a holiday home, or secure land for long-term investment, this property provides the perfect foundation. The plots are flat and come with convenient access via an established road. Electricity is already available on-site, and water can be sourced through a well, ensuring ease of development. Only minutes from popular villas such as Villa Turquoise, Coco Verde, The Loft Tabanan, and Agung Village, this land is located in one of Bali's most sought-after residential and tourism areas. Kedungu has been steadily gaining attention among investors and expatriates, thanks to its calm ambiance, lush greenery, and proximity to Tanah Lot – one of Bali's most iconic landmarks. Beyond personal living, this land presents an excellent investment opportunity. The Kedungu area continues to attract new villas and hospitality projects, driving land values steadily upward. With its prime location and competitive price, this is a golden chance to secure a property that offers both lifestyle and capital gain. Whether you are seeking a peaceful retreat or a smart investment in Bali's thriving real estate market, this land is a rare find worth considering.
