

45305 – Beachside land of 620 sqm for sale in Virgin beach area, Karangasem – Bali

Description

Located just minutes from the famous Virgin Beach (Pantai Pasir Putih) on Bali's east coast. This property offers an ideal combination of accessibility, natural beauty, and investment potential — a perfect choice for those seeking to build a private villa, eco-retreat, or boutique accommodation close to one of Bali's most picturesque beaches. This 620 sqm plot sits right on the main asphalt road, offering easy access while being surrounded by peaceful nature. The land enjoys breathtaking views of Mount Lempuyang, green hills, and everlasting rice fields, creating a serene and scenic environment perfect for a private villa, boutique retreat, or holiday residence. The property comes with a freehold title (SHM), ensuring full ownership and investment security. The area is developing steadily, supported by growing tourism and infrastructure in East Bali. Its proximity to Virgin Beach, local restaurants, and the tranquil fishing villages of Karangasem adds strong value for both residential and commercial development. Enjoy the harmony of Bali's east coast — where mountain meets the ocean, and the atmosphere remains authentic and peaceful. With its strategic location, panoramic views, and competitive price is offering make this land is a perfect choice for anyone looking to invest in Bali's rising eastern region.
