

46014 – Beachside land of 7,220 sqm for sale in Siyut beach, Gianyar – Bali

Description

A rare opportunity to own a large plot of freehold land steps away from the pristine Siyut Beach on Bali's east coast. This exceptional property spans 7,220 square meters (72,2 are), making it suitable for residential or commercial development. The land offers breathtaking ocean views and is conveniently located near the beach, providing direct access to the calming sound of waves and a refreshing sea breeze. It's an ideal setting for building a luxury villa complex, beachfront resort, or a promising investment project in one of Bali's most rapidly developing areas. Siyut area is now gaining attention for its peaceful atmosphere and increasing property value. With easy road access, reliable infrastructure, and proximity to major tourist destinations, this land presents outstanding potential for both personal and business use. Don't miss this exceptional opportunity to invest in Bali's coastline before prices rise even further. Secure your piece of paradise today!
