

46113 – Jungle Villa – A Serene Tropical Retreat for Sale in Ubud, Bali

Description

Nestled in the lush heart of Ubud's most sought-after neighborhood, Nyuh Kuning, this charming three-bedroom Jungle Villa offers an exquisite combination of comfort, artistry, and natural tranquility. Set on a 660-square-meter freehold plot with a 550-square-meter building, the property captures the essence of Bali's tropical lifestyle — blending traditional craftsmanship with modern design sensibilities. Surrounded by dense greenery and located just minutes from the famous Monkey Forest Sanctuary, the villa sits quietly at the end of a peaceful lane, offering complete privacy and a deep connection to nature. The setting is ideal for anyone seeking a serene home, a private retreat, or a highly marketable investment property in Ubud's thriving real estate market. Inside, the villa features three spacious bedrooms with elegant wooden interiors, natural light, and cooling cross ventilation from large sliding doors. Each bathroom is beautifully designed, showcasing colorful artisan tiles, stone accents, and open-air showers that merge indoor comfort with outdoor freshness.

The open-concept ground floor boasts a large living area that flows effortlessly into a fully equipped kitchen and dining space, highlighted by hand-carved Balinese wood details and rustic finishes. This generous social area opens out to the tropical garden, where a curved swimming pool sparkles under the canopy of palm trees. A cozy outdoor lounge area invites you to relax by the water, read a book, or enjoy a tranquil morning coffee surrounded by nature's soundtrack. One of the villa's most distinctive features is the expansive art studio and yoga/meditation space on the upper floor — an inspiring environment with panoramic jungle views. It's perfect for artists, wellness practitioners, or anyone who wishes to live creatively and mindfully in one of Bali's most spiritual regions. Additional features include a powder room, 10,000 watts of electricity, and a private well providing a reliable water source. The property is meticulously maintained and built with sustainability in mind, featuring bamboo and hardwood elements that give warmth and authenticity to every space.

Offered at IDR 11.5 billion (freehold) with a leasehold option available, this villa presents an exceptional opportunity to own a piece of paradise in the cultural heart of Bali. Whether used as a private residence, a boutique rental property, or a holistic retreat center, the Jungle Villa promises timeless value, serenity, and inspiration. Located within walking distance to yoga studios, vegan cafes, local markets, and Ubud's vibrant art scene, this home represents the perfect balance between seclusion and convenience. Experience true tropical living — where artistry meets nature — in this one-of-a-kind jungle villa.
