

46457 – 1100 sqm of Land with Rice field View for Lease in Tampaksiring, Gianyar

Description

A beautiful plot of land for lease located in the peaceful and culturally rich area of Tampaksiring, Bali. This 11-are land offers an ideal setting for various development concepts, especially for those seeking a serene natural environment away from the busier tourist zones. The property features a flat contour, making it highly suitable for construction and easy to develop—whether for private villas, a small retreat, glamping units, or long-term agricultural use. One of the main highlights of this land is the unobstructed rice field view, providing a picturesque and calming atmosphere that captures the authentic charm of Bali's countryside. The land is accessible via a 3-meter road, ensuring convenient entry for vehicles, building materials, and future guests or residents. Its quiet surroundings make it perfect for anyone looking to create a peaceful living or hospitality space. The lease price is attractively offered at IDR 3.5 million per are per year, making it an excellent and affordable opportunity in a highly sought-after highland area.
