

46949 – Modern Brand New Semi Villa Home for Rent / Lease in Canggu

Description

A brand-new semi-villa home available for long-term lease in the highly desirable Subak Daksina, Canggu area. Located within a quiet villa neighborhood, this property offers the perfect balance between privacy, comfort, and proximity to Canggu's lifestyle hotspots. Set on 100 sqm of land, the home features two well-designed bedrooms and two bathrooms, complemented by a closed living room and kitchen—ideal for comfortable year-round living. Additional storage and a dedicated laundry room enhance daily functionality.

The property comes fully furnished and equipped with modern essentials, including air conditioning, water heaters, CCTV security, and 3,500-watt electricity, ensuring convenience and peace of mind. A shared garage is also available. One of the highlights of this home is the private rooftop access, offering a pleasant rice field view—perfect for relaxation, remote work, or sunset moments.
