

47046 – 1250 Sqm Residential Land for Sale in Mambang, Tabanan

Description

An excellent opportunity to acquire premium freehold land in the peaceful and developing area of Mambang Village, Tabanan. This property offers strong value for buyers seeking residential, commercial, or mixed-use development at a highly competitive price. The land spans 1,250 sqm (12.5 are) and features a 100% flat contour, making it ideal for immediate construction with minimal preparation cost. With 6-meter wide road access, the site ensures convenient entry for both private use and business activities. Held under freehold title (SHM), this land provides long-term security and flexibility for future development. Its location in Tabanan offers a calm environment while remaining accessible to key areas and daily amenities.
