

## 47356 – Elegant 2 Bedroom Private Villa For Sale in Kemenuh, Ubud

### Description

Nestled in the serene enclave of Kemenuh, Ubud, this refined single-storey private villa offers a harmonious blend of modern comfort and authentic tropical elegance. Designed with warm natural materials and handcrafted details, the villa showcases a seamless indoor–outdoor living concept centered around a private swimming pool, creating an intimate resort-style ambiance. Each bedroom is thoughtfully designed as a private sanctuary, combining refined comfort with Balinese artistic expression. The room features a plush king-size bed dressed in soft neutral linens, complemented by bespoke wooden furniture and curated local artwork that adds cultural depth without overwhelming the space. Full-height glass doors open directly toward the private pool and tropical garden, allowing morning light and lush greenery to flow naturally into the room. This seamless connection creates a resort-style atmosphere where indoor comfort meets outdoor tranquility. Soft textures, warm timber finishes, and high ceilings enhance the sense of calm, privacy, and understated luxury.
