

47578 – 4,070 sqm Land for Lease with Stunning Views in Talibeng, Karangasem

Description

An excellent opportunity to lease a scenic plot of land located in the peaceful area of Bukit Talibeng, Karangasem. This land offers a truly beautiful natural setting, featuring panoramic views of Mount Agung and lush green rice fields, exactly as shown in the video. The land is easily accessible by car with a proper road access, making it ideal for development. A villa has already been built next to the property, indicating strong potential for villa development or long-term investment. Electricity is available in the area, and water can be supplied through a bore well, ensuring practicality for future use. The land size is 4,070 sqm with the freehold title providing clear and secure legal status. Strategically located, the property is only approximately 20 minutes from Central Amlapura / Candidasa area (Sentral Tabola), offering a balance between tranquility and accessibility to main facilities.
