

49168 – Prime Corner Land for Villa Development on Main Mundeh – Kutuh Road, Nusa Dua

Description

An exceptional opportunity to acquire strategically located land in one of South Bali's fastest-growing villa corridors, situated directly on the main Mundeh–Kutuh road, Nusa Dua. This corner (hook) plot offers excellent visibility, accessibility, and long-term investment potential—ideal for luxury villa development or high-yield rental projects. Located within the greater Nusa Dua area, the land benefits from strong infrastructure, smooth road access, and proximity to world-class resorts, beaches, and lifestyle destinations. The corner position allows for optimal architectural design, enhanced natural light, and flexible access points—key advantages for premium villa construction. With a net price structure, wide asphalt road access, and a highly desirable location, this property represents a secure and future-proof investment in Bali's prime southern region.

Key Highlights

- ? Prime corner land with strong development appeal
- ? Direct access from a main road—ideal for private or rental villas
- ? Excellent visibility and long-term capital appreciation potential
- ? Located in a high-demand area close to beaches, resorts, and infrastructure
- ? Suitable for private residence, holiday villa, or investment project

Investment Potential

This land is well-suited for:

- A 2–3 bedroom private luxury villa
- A high-return short-term rental villa
- Long-term land banking in a premium tourism zone

The Mundeh–Kutuh corridor continues to attract investors due to its strategic position between Nusa Dua, Pandawa, and Ungasan, making it a strong choice for both development and resale value.
