

34281 – 5BR of Guest House for sale in Nusa Penida with Ocean and Mountain views, Bali

Description

This guesthouse offers sweeping views of Bali island, Mount Agung and Indian Ocean from its location on the quiet area of Nusa Penida. An amazing business space where guests can relax in the swimming pool or unwind in the balcony while enjoying a cup of drink with the tropical breezes and panoramic views of the ocean and the tropical surroundings area. The property features a five-bedroom ensuite, comes with an earthy materials and furnishings which dominated by wooden, wrapped in authentic Balinese architecture offer views of the sea and garden, and are fitted with modern comforts such as air conditioning and a flat-screen TV. All rooms are designed to offer the ultimate relaxation experience.

Featuring an outdoor swimming pool that surrounded by sunlongers and umbrellas, complete with wooden tables and chairs, a restaurant with semi-open style is facing the swimming pool and the ocean as well the lush tropical greenery, a fish pond, a lobby with strong wood seats, etc.

Strategically located on the main road, within a short stroll to the beach of Nusa Penida is a small island in the southeast of Bali island, famous for its pristine stunning white sand beaches and undersea beauty with various corals and fish. Several marine recreation and marine tours can be found easily so the tourists can enjoy the splendid coral flora and various species of colorful fish within the clear crystal. A spectacular island off the coast of Bali that retains its natural beauty landscapes and cliff formations that made Bali a social media sensation while staying relatively undeveloped.

A really great opportunity for business investment, so if you are looking for a potential location to develop your business investment, Nusa Penida is the ideal choice, and you can start from this beautiful property and surely will return you much more.
