

18138 – 500 sqm residential freehold land in Tumbak Bayuh – Canggu

Description

A small plot land in a very strategic area for sale freehold in Tumbak Bayuh with opening price at IDR 7,000,000/m² and the total size of the land is 500m² or 5are.

Tumbak Bayuh is a village in the Mengwi sub-district, Badung Regency, Bali, Indonesia. Previously, Tumbak Bayuh Village was part of Buduk Village, which consisted of 3 traditional villages, namely Pererenan, Buduk and Tumbak Bayuh itself. This area is growing rapidly along with the needs of the international tourism business, especially the Canggu area and its surroundings. However it is a relaxed destination surrounded by rice fields scenery and still can feel the timeless of Bali with its unique tradition and culture.

This land is suitable to build a private villa with its location espouse a tranquil atmosphere make it a perfect staycation while we can get the peaceful and frenzy of Bali's vibes at the same time as it's very closed to the trendy Canggu as well, about 10 minutes drive away. Or a beautiful regular house for whom like a calm and cozy environment. It could be very good investment too with high returns.
