

31906 – 5,000 sqm land offers unspoiled natural beauty for sale in Sukasada, Singaraja

Description

Discover the hill country where nature creates art, an enchanting village with its natural beauty. A place where you can enjoy the unspoiled nature of North Bali and offers a magical backdrop of both sunset and sunrise. This beautiful land features a 5,000m², nestled in the hilltop of Asah Gobleg, Singaraja, Bali. Strategically located in the main road of Bedugul – Singaraja by 7 meters asphalt road. This land will be perfect for building tourist accommodations, such as luxury villas, a hotel, or a resort, along with a trendy, unique restaurant or coffee shop/cafe. And that will be a great opportunity for business investment indeed as the location is really promising. With its incomparable views of lush jungle, sunset and sunrise, serenaded by nature sounds like birdsong and a choir of crickets. It will be a perfect hideaway destination, where the real Bali is alive. Moreover, it is close to many attractions like the waterfall, the lake, the temple, etc.
