

36763 – 5000sqm land offers tranquil rustic environment for sale in Goa Gong, Jimbaran

Description

Nestled in a famous Jimbaran hill area that is famous for its rustic, serene and quiet environment. A 5,000sqm of land is available to freehold sale and offering a very good price far below compare to nearby area. Ideally situated in Yellow/Residential zoning which is suitable for building an elite residence or villa complex. Strategically close to various public facilities and tourist destinations in South Kuta such as restaurant and Pepito Market Uluwatu just 15 minute drive away. It is far away from the hustle-bustle of the city and also the massive tourists crowds but in close proximity to famous attractions in Southern Kuta. The plot was a cutting field and now it's been cleared and ready for building and the area also provides wide hot-mix access road. This area is now developing in housing and villa complexes, so if you are want to develop your property investment with a promising return this plot is one of the most ideal choices, as if you keep it for long term investment also will give you a very good return.
