

50186 – 3,680 sqm Ocean View Land For Sale – Sengkidu, Candidasa

Description

An exceptional ocean-view land parcel located in the tranquil coastal area of Sengkidu, Candidasa, set within an established villa enclave. This property offers a rare combination of panoramic sea views, peaceful surroundings, and flexible development potential, making it ideal for private villas, boutique hospitality projects, or long-term land banking in East Bali. The area is known for low-density, upscale developments and is increasingly favored by international buyers seeking authentic Bali charm, natural beauty, and strong future appreciation.

? **Location:** Sengkidu, Candidasa – Karangasem, Bali
