

50619 – 860 sqm Land For Sale With Rice Field & Mountain View in Sangkan Gunung, Sidemen

Description

This beautiful plot of land is located in the serene and highly desirable area of Sidemen – Sangkan Gunung, well known for its lush green landscapes, cool mountain atmosphere, and peaceful surroundings. The land offers stunning open views of rice fields and mountains, creating an ideal setting for a private villa, eco-retreat, or long-term investment. The land sits directly beside an asphalt road, ensuring easy access and strong future value. With its tegalan (dry land) status and flat-to-gently contoured land, development can be carried out smoothly. The environment is quiet, natural, and still authentic Bali—perfect for buyers seeking tranquility away from crowded tourist areas while remaining accessible.

? **Location:** Sangkan Gunung, Sidemen, Karangasem – Bali
